

SCIENTIFIC PROGRAM

**8TH WORLD ASSOCIATION OF LAPAROSCOPIC SURGEONS
(WALS)**

**GLOBAL CONFERENCE OF SURGEONS AND GYNECOLOGISTS
THEME: RECENT ADVANCES IN MINIMAL ACCESS SURGERY**

DATE: FEBRUARY 8-9, 2025

VENUE: THE LEELA AMBIENCE, GURUGRAM, INDIA

Mark your
calendars
for
February
8th and 9th

Registration : 8:00AM-9.30AM

SI No	Speaker	Topic	Time
1	Dr. R.K. Mishra	Organizing Chairman's Welcome Address	9:30-9:40AM
2	Dr. Rajesh C Shah	President WALs Address	9:40-9:50AM

Session I (10:00AM-11:00 AM)

SI No	Speaker	Topic	Time
1	Dr. Balachander PK	Optimizing Surgical Ergonomics and Mitigating Thermal Injury	10:00-10:15AM
2	Dr. Sabari	Strategic Access techniques for various surgical scenarios	10:15-10:30AM
3	Surg. Rear Adr. Sudeep Naidu	Ergonomics of New Age Surgery - Laparoscopic & Robotic	10:30-10:45AM
4	Dr. Rajesh Modi	Comprehensive strategies for Managing Complications of Laparoscopic Surgery	10:45-11:00AM

Tea Break 11:00AM-11:15AM**KEYNOTE LECTURE - 1**

1	Dr. P. K. Chowbey	Surgeon and Surgery in the Digital Era	11:15-11:30AM
---	-------------------	--	---------------

Session II (11:30AM-12:30PM)

1	Dr. Praveen Bhatia	Is Surgery a Dying Art?	11:30-11:45AM
2	Dr. Arun Prasad	Integrating AI in Robotic Surgery: innovations and Future Directions	11:45-12:00PM
3	Dr. Rajesh Shah	Surgery: Scalpel to Software	12:00-12:15PM
4	Dr. Ashok Puranik	Tissue Engineering	12:15-12:30PM

Inaugural Ceremony 12:30PM-01:00PM**Welcome Address**

12:30-12:35PM

Lamp Lighting Ceremony

12:35-12:40PM

Speech of Shri Rajnath Singh Ji

12:40-1:00PM

National Anthem**Lunch 1:00-2:00PM****Session III(2:00-3:00PM)**

SI No	Speaker	Topic	Time
1	Dr. Satish Midha	Safety in Laparoscopic Cholecystectomy - How far to dissect	2:00-2:15PM
2	Dr. Bhavneet Bhalla	Surgeon Endoscopist : The Future is Hybrid	2:15-2:30PM
3	Dr. G. S. Prabudoss	Prospective Comparison of Conscious Nasal Versus Oral video upper GI Endoscopy in Adults	2:30-2:45PM
4	Dr. Shailesh Puntambekar	Changing concepts in Pelvic Anatomy	2:45-3:00PM

Tea Break 3:00-3:15PM

Session IV(3:15PM-4:15PM)

SI No	Speaker	Topic	Time
1	Dr. Arvind Kumar	Minimally Invasive Surgery of Chest: An Overview	3:15-3:30PM
2	Dr. Sohail Bakkar	Trans-Oral Thyroidectomy	3:30-3:45PM
3	Dr. Dinesh Kansal	MIS for Burch's Colposuspension: Laparoscopic and Robotic Approaches	3:45-4:00PM
4	Dr. B B Dash	Laparoscopic Cerclage : The Newer Horizons	4:00-4:15PM

Tea Break 4:15-4:30PM

Keynote Lecture - II

1	Dr. Robert Rutledge	MGB 2.0	4:30-4:45PM
---	---------------------	---------	-------------

1	Dr. Mohit Bhandari	The future of Weight loss Interventions: A State -of-the-Art Perspective	4:45-5:00PM
2	Dr. Sharique Nazir	Strategies to Manage bariatric Complications	5:00-5:15PM
3	Dr. Girish Tyagi	Is patient a consumer?	5:15-5:30PM

Session VI(5:30PM-6:15PM)

1	Dr. Steven D. Wexner	ISFGS Consensus Statement	5:30-5:40PM
2	Dr. Arun Prasad	FGS in Gallbladder Surgery	5:40-5:50PM
3	Dr. B.B. Dash	Preventing Ureteric injury in Gynae Surgery using FGS	5:50-6:00PM
4	Dr. Rajesh Bhojwani	FGS in Colorectal Surgeries:Perfusion Assessment and Reducing Anastmotic Leaks	6:00-6:10PM

Day 2

Session I(Paper Presentation) 8:00-9:00AM (5+2 Minutes for each speaker)

1	Dr. Neli Dimitrova Nikolov	Uterine Rapture in the Second Trimester (14 Weeks of Pregnancy)	
2	Dr. Brijendra Singh	Peritoneal eTEP - A Game Changer in Ventral Hernia Management	
3	Dr. Priti Jain	Comparative Study of Da Vinci Xi and SSI Mantra 2.0 Robotic Operating Systems	
4	Dr. Eimear Eileen Teehan	An Examination of the effectiveness of Laparoscopic Surgery as a treatment for pain and infertility associated with Endometriosis, compared to the effectiveness of non-surgical interventions in women: A Systematic Review	

5	Dr. Nabeel Nazeer	A Randomized Controlled Trial Comparing Single Incision Multiple Port Laparoscopic Appendectomy (SIMPLA) with Single Site Multiple Incision Laparoscopic Appendectomy (SSMILA)
6	Dr. Jenikalo Kagu	Laparoscopic Heller's cardio-myotomy and fundoplication.; A successful approach for Achalasia Management at Muhimbili National Hospital, Tanzania: A cases series
7	Dr. Gede Widi Mariada	Introducing the Combination of Tubal Cannulation and Flushing Techniques: Achieving the Novel Fountain Phenomenon for Enhanced Tubal Function and Pregnancy Success
8	Dr. Peter Kibunto	Comparative Outcomes of Laparoscopic Sleeve Gastrectomy versus Laparoscopic Mini-Gastric Bypass in Obesity Management.

Session II(Paper Presentation) 9:00-10:00AM (5+2 Minutes for each speaker)

1	Dr. Marinda Suzanta	Enhancing Pregnancy Success Predictions: A Novel Tubal Scoring System to Improve HSG Performance Developed Based on Laparoscopic Studies
2	Dr. Piyush Kumar Agarwal	Thoracoscopic management of mediastinal ectopic parathyroid adenoma
3	Dr. Omara Daniel	Advantages of Laparoscopy in Partial Splenectomy
4	Dr. Hassan Othman	Videoscopic approach in the treatment of patients with giant postoperative hernias
5	Dr. R.P. Ramachandra	Safe Abdominal Entry By round tip blunt trocar
6	Dr. Manju Lata Verma	Spectrum of laparoscopic cases at tertiary care centre of Northern India
7	Dr. Ritwik Resutra	Role of AI & ML in Enhancing Precision and Outcomes in MIS
8	Dr. Abhilash	Robotic Concomittant Cholesystectomy and Hystrectomy

Day 2 Session III (10:00-11:00AM)

1	DR. Mahin Nallasivam	Streamlining Laparoscopic Surgery with Effective Surgical Trolley Management	10:00-10:15AM
2	Dr. Tharun G. Chitrambalam	Laparoscopic Adhesiolysis-Tips and Techniques for optimal outcomes	10:15-10:30AM
3	Dr. Hrishikesh D. Pai	Role of Laparoscopy in Dignosis and Management of Infertility	10:30-10:45AM
4	Dr. Nutan Jain	Deep Infiltrating Endometriosis: Management of Bowel and Bladder Involvemnet	10:45-11:00AM

Tea Break 11:00-11:15 AM

Session IV (11:15-12:15PM)

1	Dr T S Bala Shanmugam	rTAPP: Technique and Innovation	11:15-11:30AM
2	Dr. Deepak Subramanian	eTEP Groin Hernia Repair: Techniques and Advancements	11:30-11:45AM
3	Dr. Tarun Mittal	Giant Hiatal Hernia	11:45-12:00PM
4	Dr. Neeraj Goyal	Fully Re-Absorbalbe Mesh for Hernia Repair: Combining the Best of Both World	12:00-12:15PM

Tea Break 12:15-12:30 PM

Session V (12:30- 1:30PM)

1	Dr. Shailesh Puntambekar	Sphincter Salvage surgery in Rectal Cancers	12:30-12:45PM
2	Dr. Rajesh Bhojwani	Laparoscopic for Pancreatobiliary Disorders	12:45-1:00PM
3	Dr. Abhideep Chaudhary	Robotic Donor Hepatectomy	1:00-1:15PM
4	Dr. Deep Goyal	Organ Preservation strategies in Rectal CA	1:15-1:30PM

Lunch Break 1:30-2:30 PM

Session VI (2:30- 3:30PM)

1	Dr. Arun Ray Chaudhari	Role of AI in Infertility	2:30-2:45PM
2	Dr. Rakesh Dhurkhure	From Silence to suspension : Laparoscopy Suspension Surgery for SUI, Prolapse and Pelvic	2:45-3:00PM
3	Dr. Javed Iqbal	Role of Laparoscopy and Endoscopy in Uretrovesicle Trauma	3:00-3:15PM
4	Dr. Shilpa Bhandari	Effect of Myomectomy on Endometrial cavity	3:15-3:30PM

Session VII (3:30- 4:30PM)

1	Dr. Reju Joseph Thomas	Minimally Invasive Approach in Diagnosis and Mx of Ds Of Sexual Differentiation	3:30-3:45PM
2	Dr. Naveen Alexander	Advances and consideration in Laparoscopic Surgery during prgnancy	3:45-4:00PM
3	Dr. Lalit Shah	Ureteric Injury during Lap Gynae Injury: How to Avoid and Manage	4:00-4:15PM
4	Dr. Arnab Pai	V-NOTES in Gynae Surgery	4:15-4:30PM
